Department of Agricultural and Resource Economics

New Major Exercise

Name____________________

UID____________________

Policy Exception_______________

Purpose of Exercise: To identify a new major in case a grade of C- or better in a course for a third attempt is not received or the Policy Exception is not granted.

Target audience: Any undergraduate student in the department who needs a third attempt in a prerequisite, major or supporting field course. In order to receive a third attempt, a Policy Exception is required. You must complete the policy exception online.

1. Name of the new major you are considering. Name of the advisor.

2. List the prerequisites to enter the new major. Name the remaining degree requirement to complete new major.

3. What is the process to change into the major.
